

INFORMATION

Part of the Forestry Commission land at Culm Davy is due to be fenced and stocked with Longhorn Cattle as part of the NEROCHE Scheme.

We plan to start work on the fence line in August 2010 and are looking for any feedback with regards to location of gates or stiles from those who regularly use the woodland.

This map shows the rough location of the fence line and where we intend to install access points.

If you would like to have some input please get in touch by Friday 2nd July.

I can be contacted on 01392 834213 or by email
stephen.eyres@forestry.gsi.gov.uk
