

5th May 2010

Public Question Time

1) Mr.G.Pike asked if there was any news on the allotments; Mrs.Stallard replied that there was no further news at present.

2) Mr.I.Pike asked if there was any progress on having the hedge, to the south of the surgery entrance cut back where his wife had been knocked off her bicycle recently. Mrs.Stallard said that Devon County Highways had been contacted straight away with details of the accident but so far nothing has been done – it needs cutting back at least two feet.
