

Community consultation event

Land off Culmstock Road, Hemyock

Waddeton Park Ltd is promoting a new residential development of around 40 dwellings off Culmstock Road in Hemyock. There will be a consultation event to show you how the site could be developed and giving you the opportunity to make any comments or suggestions which will help us to refine our plans.

We would particularly welcome comments on the uses that could be incorporated in the area of land to the north of the proposed housing which is proposed for open space as set out below.

Please come along to our consultation event to view the proposals and discuss any issues with the members of the project team.

Held at Hemyock Parish Hall on
Wednesday 27th July
