Paul Young and Neil Davison confirmed that the Youth Football is in a very healthy state with their membership increasing. Their main concern was to find a solution to the grass cutting problem - they have one volunteer but need assistance from the Senior Football. This was discussed - communication was key to avoid people arriving to cut the grass when it had just been done! It was also agreed that the gang mowers need servicing.

A report from LEAP (Longmead Environmental Action Project) was also circulated and is attached to these Minutes.

- 7 **Any Other Business** The Secretary was asked to send a card to Mark Jordan from Longmead Management Group.

There being no further business the AGM concluded at 8.00 p.m. A Committee Meeting followed.
