Public Question Time

AVM Don Attlee said he had contacted Steve Densham regarding flooding problems in Hemyock but cannot get any reply. He asked Mr.Radford, County Councillor, if he could get the County Council to reply to e-mails, letters etc.

Mr.Radford said he got County Councillors to come out to villages to attend parish Council meetings purely because they do not answer letters.

Mrs.Stallard suggested we go to the Scrutiny Committee as the situation is getting ridiculous.

AVM Don Attlee said they need to change their policy regarding answering correspondence.

Mr.Radford to find out who the chairman of the Scrutiny Committee is.
