

HEMYOCK PARISH COUNCIL – GRANT AWARDING POLICY

Introduction

A grant is any payment or gift made by the Parish Council to an organisation for a specific purpose that will benefit the parish, or residents of the parish, and which is not directly controlled or administered by the Parish Council.

The Parish Council is endowed with specific powers to make certain grants. Alternatively, where no specific power exists, the Parish Council may award grants under Section 137 of the Local Government Act 1972. This requires that such grants must be “in the interests of or will directly benefit the area or its inhabitants, or of part of it, or some of it” and “the direct benefit should be commensurate with expenditure”. These requirements will be applied to all grant applications.

The Localism Act 2011 introduced the General Power of Competence which can be used by councils that meet certain criteria. This power permits a council to do anything an individual can do unless specifically prohibited by the general power or other legislation.

Hemyock Parish Council first confirmed its eligibility to use this power at its full council meeting on 3rd May 2017 and at each subsequent annual council meeting following this.

Project Aims Criteria

The Parish Council awards grants, at its absolute discretion, to organisations which demonstrate a clear need for financial support in order to achieve an objective which will benefit the parish by one of the following means:

- providing a service
- enhancing the quality of life
- enhancing recreational or sporting opportunities
- improving the environment
- promoting the parish in a positive way

Eligibility Criteria

Applicant organisations must be either not-for-profit or charitable.

The Parish Council will only award grants to projects which are non-discriminatory.

The Parish Council will NOT award grants to or for:

- private individuals
- commercial organisations
- purposes for which there is a statutory duty upon other local or central government departments to fund and provide
- 'upward funders' i.e. local groups raising funds to be sent to a central HQ for redistribution
- national organisations or local groups with access to funds from national 'umbrella' or 'parent' organisations, unless funds are not available from their national bodies, or funds available are inadequate for a specified project
- political parties

- religious organisations, unless for a purpose which does not discriminate on grounds of religious belief

This list is not exhaustive and may be extended at the council's discretion.

Only one grant application will be considered from any organisation within the Parish Council's financial year.

Grants will not be made retrospectively.

Conditions of funding

Any organisation seeking a grant from the Parish Council must have a bank account in its own name with two authorised representatives to sign each cheque. In the event that an applicant organisation does not have its own bank account then the Parish Council will only consider the reimbursement of proven costs by presentation of receipts or invoices for goods or services rendered.

The administration of and accounting for any grant shall be the responsibility of the receiving organisation.

Any award must be properly accounted for and evidence of expenditure supplied if requested by the Parish Council.

Any grant must only be used for the purpose for which it was awarded unless the written approval of the Parish Council has been obtained for a change of use of the grant monies.

Any unspent portion of a grant must be returned to the Parish council by the end of the financial year in which it was awarded.

No commitments will be made to award grants in future years.

Where equipment is gifted to an organisation, the Parish Council requires that it be insured and maintained at the expense of the user.

The Parish Council may ask for recognition of its funding role in an applicant organisation's public relations material (newsletters, press releases, etc.).

Application procedure

Applications for grants should be submitted to the parish clerk using the application form available on the Parish Council's webpage (hemyock.org).

Applicants may also be asked to provide the following supporting information:

- further details of the project to be funded
- evidence that the project will be of benefit to the local community
- evidence of the number or percentage of beneficiaries living within the parish
- evidence of a clear need for funding
- a copy of the organisation's written constitution
- a copy of the organisation's previous year's accounts or, for new projects, a detailed business

plan and budget

The clerk will present the application for consideration at the next available meeting of the Parish Council Finance Committee. The committee will make a recommendation for or against the application to the subsequent meeting of the full council.

Approval or refusal of a grant application will be made at a meeting of the full council.

The parish clerk will advise an applicant of the Parish Council's decision.
